Eustis, FL – The Florida Department of Health in Lake County is inviting the public to be a part of health actions that help create and support a culture of health in the community. The community health teams are seeking people who live, work, or play in Lake County to represent local organizations and neighborhoods by sharing activities related to the top identified community health focus areas:

- Obesity
- Substance Abuse
- Access to Food and Nutrition
- Access to Primary Care
- Diabetes

Opportunities to participate include upcoming community health improvement plan (CHIP) team focus group events and quarterly meetings at the Lake County Extension Services Building Auditorium, 1951 Woodlea Road, Tavares, FL 32778.
